## ADDENDUM NO. 1

**DATE:** November 10, 2020

**TO:** Plan Holders  
**CONTRACT NO. 2020-04**  
**Manhole Cover Replacement**

**FROM:** Henry Mikus, Engineering Manager  
Joe Gaffney, City Engineer

**SUBJECT: Revisions to Contract Documents**

The purpose of this addendum is to clarify and revise certain Contract Documents. The following changes, modifications and additions to the Contract Documents described below are made a part thereof and are subject to all of the requirements thereof as if originally specified.

1. **10-2.02, Caltrans Encroachment Permit:** The Contractor is responsible to obtain an encroachment permit from Caltrans for the work in the State right of way. The encroachment permit will be limited to **traffic control only**.
2. **Supply and Install New Manhole Frame and Cover:** At various locations, removal of the existing frame and cover will also remove portions of existing striping and/or pavement markings. Upon completion of the installation, the Contractor shall replace such striping and/or pavement markings. The replacement shall match the existing striping or marking (i.e., paint for paint, thermoplastic for thermoplastic).

**Please sign this addendum in the space provided below, and include the signed copy in its entirety, along with any attachments, with your bid documents.**

**Note that bids submitted without signed copies of all Addenda may be considered non-responsive and may be rejected.**
