## PUBLIC NOTICE

March 11, 2019

Beginning on Wednesday, March 13, with an anticipated completion date of Tuesday, March 19, the City of Sebastopol Public Works Department has scheduled removal and replacement of the street trees located in the 300 block on N. Main Street.

The removal of the trees and the excavation of the extensive root system can be loud and disruptive. We will make every effort to limit the use of additional parking spaces and attempt to keep construction noise to a minimum.

We appreciate your patience during this project and apologize for any inconvenience.

If you have any questions, please call the Public Works Department.

Thank you,

A handwritten signature in black ink, appearing to read 'Dante Del Prete'.
