The City of Sebastopol Supports Its Business Community!

All licensed businesses receive a free listing in the Business Directory on the City's website. This will increase your Internet exposure and help you rank higher in search engine results. The Business Directory is one of several ways your city government is working to support Sebastopol businesses.

Please complete the information below for your business license. It will also be made available on the City's Business Directory. *A street address is required for our records but does not need to be displayed publicly. See Opt-Out options below.*
