

Sebastopol City Council

Zero Waste Study Session

Tuesday, September 18th, 5:00-6:30pm

Sebastopol Community Center Youth Annex, 425 Morris St.

Come help explore how citizens, businesses, and city government can work together to:

- Increase compost and recycling diversion from businesses, events, and schools
- Reduce single use take-out food packaging, including straws
- Support the creation of living wage and good green jobs
- Bring back local composting operations to Sonoma County

Presentations From Zero Waste Experts and Advocates

Sonoma County Waste Management Agency, Recology, Renewable Sonoma, Zero Waste Action- Sonoma County, SCS Engineers, 350 Sonoma, Sonoma County Local Task Force on Integrated Waste Management, North Bay Jobs with Justice, Teamsters Local 665, Green Mary Zero Waste Events, Cittaslow Sebastopol, Screamin' Mimi's, Handline Restaurant, Analy High School and Orchard View School Compost/Recycling Teams.

The goal of **Zero Waste** is a systematic redesigning and careful management of products, packaging, and processes to minimize volume and toxicity of waste at all stages. In a Zero Waste system, all resources are recovered without landfilling or burning. In other words: No Burn, No Bury, No Toxics.

Come and show your support for a greener Sebastopol
