INTRODUCTION: This item is to request that the City Council Determine Designation of Voting Member and Alternate to the Local Task Force on Integrated Waste Management.

BACKGROUND:

The duties of the Task Force are to develop goals, policies, and procedures which are consistent with guidelines and regulations adopted by the Board, to guide the development of the Siting Element of the County-wide integrated waste management plan. The LTF is an advisory body, making recommendations to the Sonoma County Waste Management Agency and the Board of Supervisors, but mostly the LTF is a citizen group working with other interested parties to further right-minded recycling activities and support good recycling and solid waste policy in the County.

DISCUSSION:

At your meeting of August 7, 2018, the City Council interviewed and appointed the following citizens to the two openings on the Local Task Force on Integrated Waste Management Committee.

- Sunny Galbraith
- Guy Tillotson

City staff was asked to research if the Council could appoint a third individual as the City's alternate from the interview of Gerald Glaser.

In speaking with the Advisory Board, the Board stated that there is not a third position at this time. I also informed the Board of the appointments of Sunny Galbraith and Guy Tillotson. The Board has requested that the City appoint one of the appointees as a voting member and one of the appointees as an alternate voting member.

RECOMMENDATION:

That the City Council Determine Designation of Voting Member and Alternate to the Local Task Force on Integrated Waste Management from the Recent Appointments of Sunny Galbraith and Guy Tillotson.
