

CITY OF SEBASTOPOL
CITY COUNCIL
AGEND ITEM

Meeting Date: July 21, 2020
To: Honorable Mayor and City Councilmembers
From: Kari Svanstrom, Planning Director
Alan Montes, Associate Planner
Subject: Approval of Deadline for City climate Action Sub-Committee, Approval of Youth Application, and approval to Schedule Interviews
Recommendation : That the City Council Extend the Application Deadline, approve the revised Youth Application, and grant approval to schedule interviews

Funding: Currently Budgeted: _____ Yes _____ No XX N/A
Net General Fund Cost: N/A
Amount: \$0

Account Code/Costs authorized in City Approved Budget (if applicable) AK (verified by Administrative Services Department)

INTRODUCTION:

This item is to request approval to establish the application deadline for the Climate Action Sub-committee, approval of a revised Youth Application Form, and approval to schedule interviews.

BACKGROUND:

At the December 3, 2019 City Council Meeting, the City Council adopted a City Council Resolution Declaring a Climate Emergency and Committing to on-going actions to restore a safe environment. At its January 7, 2020 meeting, the Council then authorized the formation of, and approved the application for, the subcommittee. The initial six-week application period ended March 20, 2020, shortly after the County-wide Shelter in Place order went into effect. The application period was initially extended per City policy to April 6, 2020. The City had received a low response to the initial deadlines and returned to the Council on April 21, 2020 to extend the deadline to three weeks after the Shelter in Place order was lifted, which was approved.

Per City Council’s approval, the Sub-committee will consist of between eleven (11) to thirteen (13 members) from the following backgrounds:

- One City Councilmember
- One Planning Commissioner
- One Member of City Staff (Planning Director or designee)
- Youth (ages 17-23)
- Sebastopol business owner
- Sebastopol Climate Action or other local climate group representative
- Environmental justice/equity background
- Rights of nature background
- Climate background

- Reside within Sebastopol city limits
- Reside outside Sebastopol city limits within the 95472-zip code

In total, the City has received eight applications and, since April 21, 2020, the City has received an additional three applications, two of which filled previously vacant categories (Youth and Rights of Nature). Overall, the City has received responses that fit the following categories: Sebastopol Climate Action/local climate group representative; Youth; Rights of Nature background; Ecological/Climate background; residents from both within the City and within the 95472-zip code. Additionally, the Planning Commission has designated Luke Lindenbusch as its representative to the sub-committee; the City Council will designate a representative at a later date. However, the City has not received applications from the following categories: Sebastopol Business owner; environmental justice/equity background.

This item is before the Council to establish a revised deadline of the application period for the Climate Action Ad Hoc Sub-Committee for August 4, 2020, and to begin scheduling interviews after the closing deadline.

Youth Application Revisions

The application form has several questions that are not relevant to a youth applicant and may discourage potential youth applicants. A revised application has been created to be simplified and more applicable to a youth applicant. Several of the changes include: Identifying School, Grade, extra-curricula activities, and eliminating several questions that are generally not applicable to a youth applicant.

DISCUSSION:

It has become apparent that the Shelter in Place order is going to be on-going and regularly amended, as determined by the State and County Health Official, for the foreseeable future. As such, setting the deadline to be “3 weeks after the Shelter in Place order ends” no longer seems reasonable and establishing a fixed deadline is appropriate. Staff recommends establishing an August 4, 2020, application deadline.

PUBLIC COMMENT:

As of the writing of this staff report, the City has not received any public comment. If comments are received such comments will be provided to the City Council as supplemental materials before or at the meeting.

PUBLIC NOTICE:

This item was noticed in accordance with the Ralph M. Brown Act and was available for public viewing and review at least 72 hours prior to schedule meeting date.

FISCAL IMPACT:

There is no fiscal impact as a result of the formation of this sub-committee. The work products developed by the sub-committee may have individual costs but those will be brought to Council for approval and authorization on a case-by-case basis. There may be costs incurred for training the sub-committee but those are unknown at this time.

RECOMMENDATION:

That the City Council grant approval to establish an August 4, 2020, deadline for the application period for the Climate Action Sub-Committee, approval of the revised Youth Application form, and approval to schedule interviews after the application deadline.

YOUTH APPLICATION FOR APPOINTMENT TO SEBASTOPOL CLIMATE ACTION SUBCOMMITTEE

City Boards, Commissions, and Committees

The City Council appoints members to various boards, committees, and commissions as listed below:

- Planning Commission
- Design Review Board
- Public Arts Committee
- Other Miscellaneous Boards/Committees/Commission as Approved by the City Council

The bodies are comprised of community members who volunteer for service and are appointed by the City Council. All committee members serve at the pleasure of the City Council. The primary responsibility of the committees is to implement adopted City policy, and advise and make recommendations to the City Council. The adoption of policies, the issuance of proclamations, and the approval of agreements and other official acts of the City are the responsibility of the City Council. The City Manager designates as official staff liaison to each committee.

Application Process

When a vacancy on a board, committee or commission occurs, the City Clerk prepares a press release that is distributed to local media, including the Sonoma West County Times and News. The vacancy is also announced at City Hall and on the City of Sebastopol's web site <http://ci.sebastopol.ca.us/>

Applications for vacancies are obtained from the City Clerk's office and completed applications are submitted to the City Clerk's office. Three to four weeks after the vacancy announcement, the completed applications are forwarded to the City Council in a regular agenda packet for public review. The City Council interviews all applicants at a meeting open to the public. The official appointment of Commission, Board or Committee members is made at a

City Council meeting.

Terms of Office

Board, commission, and committee members generally serve two, three, or four-year overlapping terms. There is no monetary compensation or benefits for board, commission, or committee members.

The City Council may reappoint incumbent members or fill vacancies with new appointees. Some bodies limit the number of consecutive terms an individual may serve.

Members are expected to serve their full terms of office; however, when a member must resign, due to personal or professional circumstances, he/she should send a letter to the City Council stating the effective date of the resignation. A member shall be removed from office upon three affirmative votes of the City Council, based on one of the following grounds:

- At the pleasure of the City Council, without cause:
- If he/she is absent from three consecutive meetings, unless permission by a majority vote of the board, committee or commission had been granted as reflected in the official minutes of the body.
- Or by operation of the City Code if:
- If he/she is convicted of a crime of moral turpitude.
- If he/she ceases to be a qualified board, commission or committee member per the City of Sebastopol Municipal Code.

General Responsibilities of Boards, Commissions, and Committees

City boards, commissions, and committees shall have the following general powers, duties and responsibilities in addition to those set forth in the Sebastopol Municipal Code and various Resolutions:

- To establish rules and regulations governing the election of their officers, the holding of meetings and the conduct of business for these meetings.
- To use all appropriate techniques in crystallizing and testing public sentiment on major public issues in their respective fields.
- To hold official hearings as required by law or requested by the City Council.

- To advise and recommend on City policies and procedures pertinent to their respective activities and functions.
- To support and adhere to all City policies promulgated by the City Council and to establish needed interim policies in the absence of the same.
- To provide information and promote good public relations between the City and the general public.
- To perform such other related functions as may be assigned to them by the City Council.

Desirable Characteristics in Applicants for Boards, Commissions, and Committees

While membership on City boards, committees and commissions requires no specific qualifications, there are desirable characteristics for which the Council will be looking as they review applications:

- Familiarity with Community

The Council would require appointees to be familiar with the physical, social, and economic make-up of the City. Applicants should have demonstrated an active interest and involvement in the community.

Familiarity with Major Issues

While it will be assumed that applicants are familiar with the specific issues that are being addressed by the board, committee or commission for which they are applying, it is also expected that applicants be aware of issues which will impact all sectors of City programs and services.

Knowledge of the Board, Commission or Committee

During the application process, applicants should become familiar with the responsibilities and role in the City's policy-making structure of the board, committee or commission for which they are applying.

Commitment to Serve

When appointed, members are expected to serve their term of office. While personal or professional circumstances might prompt an unexpected resignation, applicants who are aware of any reasons why they may not be able to complete a full term or attend regularly scheduled meetings, should indicate this on the application. While time commitments will vary depending upon schedules and workload, members are expected to attend all scheduled meetings. In addition to attending scheduled meetings, members may be expected to participate in study sessions or serve on subcommittees.

Relationship with the Community

As a member of a City board, committee or commission, your actions will reflect on the City of Sebastopol and you are required to relate to the community with impartiality and courtesy.

Commitment to City Policy:

The City Council has adopted ordinances and policies following an appropriate public process. As an appointed board, committee or commission member, your duty is to abide by such policies rather than implement personal preferences.

Tips for Applying for a City Board, Commission, or Committee

Type or neatly print your application. Due to the quantity of applications the Council must review, a neat application is appreciated.

Answer all questions on the application. Council reviews your application to gain an understanding of your background and experience, and what skills and talents you believe you could bring to a particular board, committee or commission. Don't forget to sign and date your application.

Attend one or two meetings of the board, committee or commission for which you are applying if the committee has been constituted. Find out what the current issues are, and what issues may be coming in the future. Review the minutes of past meetings, available on the City web site or at City Hall depending on the appointment being applied for.

If the committee has been constituted, talk to a current member. Current members can share with you their experience, they can give you an estimate of the time commitment involved, and they can discuss with you what they see as current and future issues for the City.

If you have questions about the function and role of members, talk with the City staff liaison to the board, committee or commission you are applying for. The City Clerk can provide contact information for City staff members who are assigned to

work with the boards, committees and commissions. It is important to note that City staff members cannot and do not recommend or lobby for any applicant.

Find out City Council's priorities and interests. Attend City Council meetings and review meeting minutes. Council meeting videos are archived on the City's website <http://ci.sebastopol.ca.us/> and are available for purchase on DVD from the City Clerk's Office.

Review the Code of Ethics for Appointed and Elected Officials (the Brown Act), available by request from the City Clerk's Office and understand that if you are appointed to a board, committee or commission, you will be required to abide by it.

Prepare for the interview. Although we do not know what specific questions Council will ask, we suggest that you clarify for yourself why you are applying for a specific board, committee or commission, understand its role and function, and be familiar with the current issues it is examining.

Treat the interview with City Council as a business or job interview. Understand that the City Council is not only considering what experience, skills and talents you bring, they are interested in how you will represent the City.

AGENDA ITEM

Meeting Date: January 7, 2020
To: Honorable Mayor and City Councilmembers
From: Ad Hoc Subcommittee (Mayor Slayter and Councilmember Gurney)
Responsible Department: Planning Department
Subject: Consideration and Discussion of Creation of Climate Action Ad Hoc Sub-committee and development of interim milestones
Recommendation: That the City Council Receive the Report and Direct Staff on Sub-Committee Composition
Funding: Currently Budgeted: _____ Yes _____ No XX N/A

Net General Fund Cost:

Amount: \$

INTRODUCTION:

This item is to request approval to establish a Climate Action Ad Hoc Sub-Committee and Approve a New Application specific to this sub-committee.

BACKGROUND:

At the December 3, 2019 City Council Meeting, the City Council adopted a City Council Resolution Declaring a Climate Emergency and Committing to on-going actions to restore a safe environment.

As part of that discussion, the City Council directed the staff to establish a Climate Action Ad Hoc Sub-Committee. It is anticipated that the Ad Hoc Sub-Committee would include a cross-section of community members representing all sectors to work together to create a recommendation to the City Council on specific actions discussed below as well as on any proposed future actions and/or the creation of a standing committee. It is recommended that the Ad Hoc Sub-Committee include one Councilmember on this sub-committee, the Planning Director, and a member of the Planning Commission. Having a Councilmember on this sub-committee will maintain consistency of any potential future policy development and implementation based on the full Council direction. Having a Councilmember and the public working on issues together could increase efficiency and effectiveness throughout the process.

The Ad Hoc Sub-Committee would be expected to meet with some regularity, and to discuss the items discussed below as well as well as discuss additional topics, programs, education, outreach, etc. that would be of benefit to the City or a future standing sub-committee.

This item is before the Council to authorize the formation of the new Climate Action Ad Hoc Sub-Committee, approve the focus of the sub-committee, approve the composition of the sub-committee, and approve the application process of the Sub-committee.

DISCUSSION:

The City is looking to initiate a creative recruitment for this sub-committee. In addition to the standard City recruitment, City staff will be working with the City Community Outreach Coordinator to create an exciting and informative brochure for applicants to solicit volunteers to work with the City to address climate actions needed.

All members will be appointed by the City Council and must receive a majority of Council support for appointment. As this is a new sub-committee for the City, it is suggested that this Ad Hoc Sub-committee consist of between eleven (11) to thirteen (13 members) from the following backgrounds:

- One City Councilmember
- One Planning Commissioner
- One Member of City Staff (Planning Director or designee)
- Youth (ages 17-23)
- Sebastopol business owner
- Sebastopol Climate Action or other local climate group representative
- Environmental justice/equity background
- Rights of nature background
- Climate background
- Reside within Sebastopol city limits
- Reside outside Sebastopol city limits within the 95472 zip code
- Others?

Application

Due to the complex nature of this Sub-committee, the standard application has been updated to include specific questions regarding expertise, knowledge and commitment to Climate actions. The proposed application is included as an Attachment for discussion and direction.

Meetings

The sub-committee shall meet at a schedule conducive to the members. Similar to the zero waste sub-committee, it is anticipated that this sub-committee will appoint a person to act as the chair of the sub-committee and work with staff on agendas and preparation of minutes from these meetings.

Recruitment

Once discussed and if approved tonight, the City Clerk's Office will commence with recruitment of individuals to the Climate Action Ad Hoc Sub-Committee with application period of six weeks with interviews/appointments to be scheduled at a future City Council Meeting.

CEQA:

Not a project as defined by CEQA.

Fiscal Analysis

There is no fiscal impact as a result of the formation of this sub-committee. The work products developed by the sub-committee may have individual costs but those will be brought to Council for approval and authorization on a case-by-case basis. There may be costs incurred for training the sub-committee but those are unknown at this time.

Duties of Sub-Committee:

The functions of the climate action sub-committee shall include the following powers and duties:

- Formulate a Work Plan for the sub-committee
- Research composition and duties of other cities subcommittees
- Update CAP Document for City
- Prioritize Climate Emergency Resolution Attachment A actions (Attached)
- Create Climate Calendar
- Create Volunteer Appreciation Event/Ideas for Climate Events

In creating the climate action ad-hoc sub-committee, it is not the intent of the council to duplicate or overlap the functions, duties, or responsibilities assigned to any other board or commission. It is likely, however, that the work of the

Agenda Item Number: 9

climate action sub-committee may involve areas of concern of other City boards and commissions. In these situations, City staff may be asked to bring those items to those relevant boards and commissions with a report back to the ad-hoc subcommittee.

As stated above, this ad-hoc subcommittee will be tasked with the specifics as listed above with recommendations to be provided to the City Council.

RECOMMENDATION:

That the City Council grant approval to establish a Climate Action Ad Hoc Sub-Committee and to provide direction on the discussion items in the report.

**Attachment A:
List of Climate Actions for the City of Sebastopol By
Sebastopol Climate Action**

1. **All Electric Reach Code** - Building ordinance would require new residential construction to use only high-efficiency electric appliances. As new building types have been reviewed and analyzed by the California Energy Commission, the All Electric Reach Code would apply to them.
 - a. Estimated upfront savings of \$6,171 per home (or \$3,361 per multifamily units). Estimates from Santa Rosa city staff report 06/11/2019
 - b. Assuming 36 housing units are built over the next three years, 86 metric tons of carbon dioxide equivalents (CO₂e) would be avoided which would be a reduction of 2.4 CO₂e annually for a standard single-family home compared to a 2019 code compliant house.
 - c. Needs State approval for reach codes that go beyond Title 24 regulations. Sonoma Clean Power has a template for State approval documentation.
 - d. Berkeley first city in California to ban natural gas in new buildings
2. **Municipal Solar.** Solar assessment of additional sites.
 - a. Possible new sites include the public parking lots and the city corporate yard.
 - b. Examine the possibility of micro-grid power storage, such as the SRJC has done.
3. **Moratorium on New Fossil Fuel Infrastructure** - Applies to new gas stations
4. **Oversight of Procurement** - "Sustainable purchasing" for the City of Sebastopol.
5. **Data Gathering**
 - a. Annual Reporting of Consumption - Local Gas and Electricity Baseline Data
 - i. The city on an annual basis makes a request to PG&E for a breakdown of consumption based on residential, commercial and industrial sectors for gas and electricity for the 95472-zip code. This data is then posted on the City website. Public energy data request portal
 - b. Evaluation of existing municipal solar.
 - i. Evaluate the savings (KWh, GHG, \$) the city has achieved since installing solar arrays on most of the municipal buildings and water/sewage pumping stations. This could be done with possible assistance of SSU students.
 - c. Evaluation of existing building requirements for residential and commercial solar
 - i. Estimate the savings (KWh, GHG, \$) the solar building requirement has saved. This could be done with possible assistance of SSU students.
 - ii. Pass on lessons learned implementing it to other jurisdictions since all of California is now having to implement solar in new buildings.
6. **Education** - The city embarks on multiple public education initiatives. For example:
 - a. Travelling exhibit based on a 10' x 10' pop up shade structure, display table, graphics and interactive exhibit components that provides community education around action items that citizens can take to reduce GHG emissions, decrease household and business waste and increase resiliency.
 - b. Publicize on the city website and newsletter all available local resources for climate and zero waste actions. Examples include:
 - i. Launch before year end of Sonoma Clean Power's incentives for Heat Pump Water Heaters, Heat Pump Space Heaters and other energy saving devices.
 - ii. Sonoma Climate Challenge
 - iii. Zero Waste best practices for households
 - c. Provide handouts available at city hall for climate best practices.
 - d. Leverage community groups to put on climate education events and help tell the success stories.
 - i. Climate speaker series

- ii. Climate workshops for teachers
- 7. Begin the discussion to create climate committee or expand the scope of the Zero-Waste committee to encompass broader climate actions.**
- 8. Work to accelerate transportation electrification**
 - a. Team with RCPA/CCP (and others) to encourage EV (purchase/lease)
 - b. Address local EV infrastructure enhancements (See RCPA Shift Sonoma County Plan).
 - i. Make electric car charging stations more visible.
 - ii. Increase numbers of DC fast chargers
 - c. Organize EV Rides/shows (include E-bikes).
 - d. Sharing purchase/lease strategies for new buyers. Share info for buying/leasing used EVs.
- 9. Fund a grant writer to find money for climate initiatives, such as:**
 - a. Climate Action Coordinator contract position. This person would be responsible for measuring/monitoring/reporting on progress of any action items that are adopted. Civicspark/Climatecorp provides training to these new hires. For example, the City of Alameda hired a coordinator as intern via Civicsparks or ClimateCorp
 - b. Youth climate corp summer jobs.
 - c. Zero Waste initiatives.
 - d. Conducting free solar evaluations, developing/implementing communication/outreach tools/strategies.
 - e. Stipends for SSU/SRJC students to conduct studies/research/monitoring
 - f. Incentives for converting to electric in homes (fuel switching).
 - g. Energy and/or lighting retrofits in city-owned buildings
 - h. Solar+ battery storage capacity in critical city infrastructure for emergencies and PG&E planned power outages.

CITY COUNCIL
AGENDA ITEM**

Meeting Date: April 21, 2020
To: Honorable Mayor and City Councilmembers
From: Ad Hoc Subcommittee (Mayor Slayter and Councilmember Gurney)
Responsible Department: Planning Department
Subject: Extension of Application Deadline for Climate Action Sub-committee
Recommendation: That the City Council Extend the Application Deadline
Funding: Currently Budgeted: _____ Yes _____ No XX N/A

Amount: \$

Account Code/Costs authorized in City Approved Budget (if applicable) N/A (verified by Administrative Services Department)
Signed Electronically – AK

INTRODUCTION:

This item is to request approval to extend the application period for the Climate Action Sub-committee

BACKGROUND:

At the December 3, 2019 City Council Meeting, the City Council adopted a City Council Resolution Declaring a Climate Emergency and Committing to on-going actions to restore a safe environment. At its January 7, 2020 meeting, the Council then authorized the formation of, and approved the application for, the subcommittee. The initial six week application period ended March 20, 2020, two weeks into the County -wide Shelter In Place order. The application period was extended per City policy to April 6, 2020.

Per City Council’s approval, the Sub-committee will consist of between eleven (11) to thirteen (13 members) from the following backgrounds:

- One City Councilmember
- One Planning Commissioner
- One Member of City Staff (Planning Director or designee)
- Youth (ages 17-23)
- Sebastopol business owner
- Sebastopol Climate Action or other local climate group representative
- Environmental justice/equity background
- Rights of nature background
- Climate background
- Reside within Sebastopol city limits
- Reside outside Sebastopol city limits within the 95472 zip code

The City has received responses that fit within the other categories (Sebastopol Climate Action/local climate group representative; residents from both within the City and within the 95472 zip code. Additionally, the Planning Commission has designated Luke Lindenbusch as its representative to the sub-committee; the City Council will designate a

representative at a later date. However, the City has not received applications from the following categories: youth (ages 17-23); Sebastopol Business owner; “rights of nature”; environmental justice/equity background.

This item is before the Council to authorize an extension of the application period for the Climate Action Ad Hoc Sub-Committee to be 3 weeks after the Shelter in Place order ends (currently scheduled to end May 3).

DISCUSSION:

The low response to the initial application period was likely impacted by the Covid-19 Shelter in Place held orders and disruptions that has caused. Both business owners and youth/students have been disrupted from normal activities during this time. Staff therefore recommends extending the deadline for applications to this sub-committee to be after the Shelter in Place has lifted by a certain amount of time, such as two to three weeks, to allow those, and others time to respond to the applications. Alternatively, a deadline Mid-May could be set, and staff will recruit via social media and other outlets, such as the City e-newsletter.

Recruitment

If approved, the Planning Department, as delegated by the City Clerk's Office, will notice the new deadline for applications for the recruitment of individuals to the Climate Action Sub-Committee.

Fiscal Analysis

There is no fiscal impact as a result of the formation of this sub-committee. The work products developed by the sub-committee may have individual costs but those will be brought to Council for approval and authorization on a case-by-case basis. There may be costs incurred for training the sub-committee but those are unknown at this time.

RECOMMENDATION:

That the City Council grant approval to extend the application period for the Climate Action Sub-Committee .

To: Honorable Mayor and City Councilmembers
From: Ad Hoc Subcommittee (Mayor Slayter and Councilmember Gurney)
Responsible Department: Planning Department
Subject: Consideration and Discussion of Creation of Climate Action Ad Hoc Sub-committee and development of interim milestones
Recommendation: That the City Council Receive the Report and Direct Staff on Sub-Committee Composition

INTRODUCTION:

This item is to request approval to establish a Climate Action Ad Hoc Sub-Committee and Approve a New Application specific to this sub-committee.

BACKGROUND:

At the December 3, 2019 City Council Meeting, the City Council adopted a City Council Resolution Declaring a Climate Emergency and Committing to on-going actions to restore a safe environment.

As part of that discussion, the City Council directed the staff to establish a Climate Action Ad Hoc Sub-Committee. It is anticipated that the Ad Hoc Sub-Committee would include a cross-section of community members representing all sectors to work together to create a recommendation to the City Council on specific actions discussed below as well as on any proposed future actions and/or the creation of a standing committee. It is recommended that the Ad Hoc Sub-Committee include one Councilmember on this sub-committee, the Planning Director, and a member of the Planning Commission. Having a Councilmember on this sub-committee will maintain consistency of any potential future policy development and implementation based on the full Council direction. Having a Councilmember and the public working on issues together could increase efficiency and effectiveness throughout the process.

The Ad Hoc Sub-Committee would be expected to meet with some regularity, and to discuss the items discussed below as well as well as discuss additional topics, programs, education, outreach, etc. that would be of benefit to the City or a future standing sub-committee.

This item is before the Council to authorize the formation of the new Climate Action Ad Hoc Sub-Committee, approve the focus of the sub-committee, approve the composition of the sub-committee, and approve the application process of the Sub-committee.

DISCUSSION:

The City is looking to initiate a creative recruitment for this sub-committee. In addition to the standard City recruitment, City staff will be working with the City Community Outreach Coordinator to create an exciting and informative brochure for applicants to solicit volunteers to work with the City to address climate actions needed.

All members will be appointed by the City Council and must receive a majority of Council support for appointment. As this is a new sub-committee for the City, it is suggested that this Ad Hoc Sub-committee consist of between eleven (11) to thirteen (13 members) from the following backgrounds:

- One City Councilmember
- One Planning Commissioner
- One Member of City Staff (Planning Director or designee)
- Youth (ages 17-23)
- Sebastopol business owner
- Sebastopol Climate Action or other local climate group representative
- Environmental justice/equity background
- Rights of nature background
- Climate background
- Reside within Sebastopol city limits
- Reside outside Sebastopol city limits within the 95472 zip code
- Others?

Application

Due to the complex nature of this Sub-committee, the standard application has been updated to include specific questions regarding expertise, knowledge and commitment to Climate actions. The proposed application is included as an Attachment for discussion and direction.

Meetings

The sub-committee shall meet at a schedule conducive to the members. Similar to the zero waste sub-committee, it is anticipated that this sub-committee will appoint a person to act as the chair of the sub-committee and work with staff on agendas and preparation of minutes from these meetings.

Recruitment

Once discussed and if approved tonight, the City Clerk's Office will commence with recruitment of individuals to the Climate Action Ad Hoc Sub-Committee with application period of six weeks with interviews/appointments to be scheduled at a future City Council Meeting.

CEQA:

Not a project as defined by CEQA.

Fiscal Analysis

There is no fiscal impact as a result of the formation of this sub-committee. The work products developed by the sub-committee may have individual costs but those will be brought to Council for approval and authorization on a case-by-case basis. There may be costs incurred for training the sub-committee but those are unknown at this time.

Duties of Sub-Committee:

The functions of the climate action sub-committee shall include the following powers and duties:

- Formulate a Work Plan for the sub-committee
- Research composition and duties of other cities subcommittees
- Update CAP Document for City
- Prioritize Climate Emergency Resolution Attachment A actions (Attached)
- Create Climate Calendar
- Create Volunteer Appreciation Event/Ideas for Climate Events

In creating the climate action ad-hoc sub-committee, it is not the intent of the council to duplicate or overlap the functions, duties, or responsibilities assigned to any other board or commission. It is likely, however, that the work of the

Agenda Item Number: 9

climate action sub-committee may involve areas of concern of other City boards and commissions. In these situations, City staff may be asked to bring those items to those relevant boards and commissions with a report back to the ad-hoc subcommittee.

As stated above, this ad-hoc subcommittee will be tasked with the specifics as listed above with recommendations to be provided to the City Council.

RECOMMENDATION:

That the City Council grant approval to establish a Climate Action Ad Hoc Sub-Committee and to provide direction on the discussion items in the report.
