WHEREAS, on March 2, 2020, the County DHS confirmed that it anticipates additional cases in Sonoma County from non-travel, community transmission due to the increase of these cases in the country, combined with the worldwide uncontrolled spread of COVID-19; and

WHEREAS, at or about 10:00 a.m. on March 2, 2020, the Sonoma County Health Officer declared a Local Health Emergency pursuant to Health and Safety Code section 101080 due to the potential introduction of COVID-19 in Sonoma County; and

WHEREAS, at or about 10:00 a.m. on March 2, 2020, the County of Sonoma Director of Emergency Services proclaimed a Local Emergency due to the threat of COVID-19 in the County; and

WHEREAS, the Director of Emergency Services of the City of Sebastopol does hereby find:

1. The United States of America has confirmed cases of individuals who have a severe acute respiratory illness caused by a novel (new) corona virus ("CO VID-19" or "the virus") first detected in Wuhan, Hubei Province, People's Republic of China ("China"). The virus was first reported in China on December 31, 2019. As of March 2, 2020, the World Health Organization ("WHO") has reported more than 3,000 deaths stemming from approximately 89,000 confirmed cases of COVID-19 and the virus is present in 67 countries. The number of confirmed cases has continued to escalate dramatically over a short period of time; and
2. World Health Organization (WHO) officials now report that sustained human-to-human transmission of the virus is occurring. Transmission from asymptomatic individuals has been documented. Suspected community transmission of the virus is occurring in the United States. Although the majority of individuals infected with COVID-19 recover from the disease without special treatment, there is significant potential for serious infection and death; and

3. On January 30, 2020, the WHO declared the COVID-19 outbreak a public health emergency of international concern, and on January 31, 2020, the U.S. Department of Health and Human Services declared a Public Health Emergency for the United States of America, and on March 11, 2020, WHO declared that the Novel Coronavirus COVID-19 Outbreak a Global Pandemic; and

4. The United States Centers for Disease Control and Prevention (CDC) has determined that the virus presents a serious public health threat, requiring coordination among state and local health departments to ensure readiness for potential health threats associated with the virus; and

5. The County's Public Health Officer has found that the conditions constituting a threat to community health, including a presumptive case of community infection, may be present in the County warranting a proclamation of a Local Health Emergency; and

6. Conditions of extreme peril to the safety of persons and property have arisen within the City caused by the threat of COVID-19 that will impact significant City and community operations, including critical public infrastructure and services, and which may require the provision of additional public safety and emergency services; and

7. The aforesaid conditions of extreme peril warrant and necessitate the proclamation of a Local Emergency to enable the City of Sebastopol and other local government entities to adequately plan, prepare and preposition resources to be able to effectively respond to the threat posed by COVID-19, and to warn City of Sebastopol residents and visitors of the threat posed by COVID-19 and to enable them sufficient time to plan and prepare; and

8. At the time of this Proclamation, the City Council is not in session (and cannot immediately be called into session).

NOW THEREFORE, IT IS HEREBY PROCLAIMED that a local emergency exists throughout the City of Sebastopol; and

IT IS FURTHER PROCLAIMED AND ORDERED that during the existence of said local emergency, the powers, functions and duties of the Director of Emergency Services shall be those prescribed by state law and the ordinances and resolutions of this City, and by the City of Sebastopol's Emergency Operations Plan; and

IT IS FURTHER PROCLAIMED AND ORDERED that this Proclamation shall remain in effect for the next seven (7) days, or until ratified City Council, whichever first occurs.
