WHEREAS, Senate Bill 1 (SB 1), the Road Repair and Accountability Act of 2017 (Chapter 5, Statutes of 2017) was passed by the Legislature and Signed into law by the Governor in April 2017 in order to address the significant multi-modal transportation funding shortfalls statewide; and

WHEREAS, SB 1 includes accountability and transparency provisions that will ensure the residents of our City are aware of the projects proposed for funding in our community and which projects have been completed each fiscal year; and

WHEREAS, this is the fifth year in which the City is receiving SB 1 funding and will enable the City to continue essential road maintenance and rehabilitation projects, safety improvements, repairing and replacing aging bridges, and increasing access and mobility options for the traveling public that would not have otherwise been possible without SB 1; and

WHEREAS, the City must approve by resolution a list of all projects proposed to receive funding from the Road Maintenance and Rehabilitation Account (RMRA), created by SB 1, which must include a description and the location of each proposed project, a proposed schedule for the project's completion, and the estimated useful life of the improvement; and

WHEREAS, these guidelines set May 1, 2021 as the deadline for all cities and counties to submit their FY 2021–22 SB 1 project lists to become eligible for SB 1 funds; and

WHEREAS, the City will receive an estimated \$154,500 in RMRA funding in Fiscal Year 2021-22 from SB 1; and

WHEREAS, the City Council has discussed the proposed projects on the list at various Council meetings and/or included the project(s) in the City's adopted Five Year Capital Improvement program; and

WHEREAS, the City considered the Pavement Management System and other infrastructure priorities to develop the SB 1 project list to ensure revenues are being used on the most high-priority and cost-effective projects that also meet the City's priorities for transportation investment; and
