Local Appointments List

December 2019

The Legislature enacted Government Code Section 54970 et seq (The Maddy Act) to increase public awareness of appointments to be made by any local government and provide the local legislative bodies access to a talent resource that otherwise would go untapped.

Government Code Section 54972 requires each legislative body to prepare on or before December 31 of each year a “Local Appointments List” (List) of all regular and ongoing board, commissions and committees which are appointed by the legislative body of the local agency. The List must contain the terms that will expire during the next calendar year, along with the name of the incumbent appointee, the date of appointment, the date the term expires, and the necessary qualifications for the position. Government Code Section 54973 requires that the legislative bodies designate the public library

In compliance with the requirements of the Maddy Act, Government Code 54970, the following appointment list is posted on an annual basis by December 31st. It shows all current City Commissions, City Boards, and City Committees and the dates of their terms of office as of the time of this posting.

California Government Code Section 54973 requires the City Council to designate the public library with the largest service population within its jurisdiction to receive a copy of the list and the City of Sebastopol Library is the only public library within the City of Sebastopol.

NOTE: The names on this list are subject to change based on term expirations and resignations that occur during the year. Please call the City Clerk’s Office at 707-823-1153 for a current list of members or email mgourley@cityofsebastopol.org.
